

KLEU Profi-Dancing-Set

MOBILE PARQUET OVERLAY FLOOR SYSTEM

For hotels, general purpose rooms, gymnasiums, schools, clubs and youth centres etc. Quickly and easily laid over existing floor surfaces, equally quickly lifted and simply stored in a small space on its own trolley.

- Mosaic Oak with either polished or waxed surface
- Universally interconnecting plates.
- Aluminium surround which gives protection and longevity.
- Efficient interlocking by groove and over centre cam fastening which will not disengage during use.
- Tapered aluminium edging for strength and safety.
- Anti-slip underside.
- Transport storage trolley.

R.A.F. Halton, Aylesbury
